Buffalo Ridge Elementary Back To Prom Gala and Fundraiser

Friday, February 24, 2017

Why Donate?

**Success in local schools means
success in local business!**

Buffalo Ridge Elementary is committed to making sure our school remains one of the best in the state for educating the children in our community. By providing our teachers with enhanced curriculums and additional classroom resources, we are making sure the children in our community are given the best opportunities for primary childhood education.

Your support will help bring these tools and resources to our classrooms. Thank you in advance for helping with this very important initiative.

John Veit

Principal, Buffalo Ridge Elementary

BREA, the Buffalo Ridge Elementary parent-teacher organization is excited to announce donation opportunities for our 2017 gala and fundraiser, Back to Prom! Over the past several years the BREA has financially supported the growth and enhancement of Buffalo Ridge Elementary's needs, to ensure our children and teachers have the best learning environment possible. This year, our Back to Prom gala will continue to do just that. All monies raised will go directly to fulfilling specific classroom needs. We will be providing teachers with the tools and resources they need to provide stronger curriculums, modern technology and learning spaces that encourage the brain stimulation for the young minds who will be shaping our future.

In short, we can't do it without your help! Together, we help distinguish Buffalo Ridge as one of the Douglas County School District's top elementary schools. Any donations of products, services, gift cards, experiences will be used at this gala in either our silent or live auction.

On behalf of the BRE community, our gratitude goes out to our sponsors, advertisers, merchant donors, and supporting businesses. We as a school community are committed to showing our support by patronizing these businesses throughout the year. Thank you for helping us to provide our children with the skills, knowledge, and values necessary to become productive citizens in a dynamic and diverse 21st Century society.
